

PHOTO PROCESSING TECHNIQUES WORKSHOP IN MACKAY

PORTRAITS AND LANDSCAPES

I'm thrilled to invite you to a special photo processing workshop I will be hosting at the Jubilee Community Centre. This session is designed for photographers of all skill levels who want to enhance their mastery of Photoshop for both portrait and landscape photography.

Instructor
Gary
Guest

not great at photoshop?

I have catered this workshop for both beginners and advanced users of photoshop.

Time

- **9:00 AM start** for beginners or those not familiar with using layers in Photoshop.
- **10:30 AM start** for those who are already comfortable with Photoshop and layers.
- Finish Time: Approximately 4:00 PM

what to bring?

If you wish to work along, bring a laptop. I will provide images to work on.

If you wish to watch and learn bring a notebook.

food

Tea and coffee is supplied.

Please bring your own lunch for the day and something to share for morning/afternoon tea.

when and where

“Sarina” Meeting Room, Jubilee Centre,
MRC Building, Alfred St, Mackay.

SUNDAY 26TH MAY 24

what will you learn?

- During the workshop, I will focus on sharing my workflow for creating portraits that truly captivate and impart dynamic qualities to landscape images using Photoshop alone.
- If time allows, I will also demonstrate some of my favourite techniques using Nik filters, though no additional software will be needed for the main content of the workshop.
- This is a great opportunity to refine your skills and expand your photographic techniques in a focused, hands-on environment.

how to book in

This workshop is bought to Mackay by Creative Shots Photo Club.

To hold your place please make payment via direct deposit to:

Creative Shots Photo Club Inc
